

JERSEY
COLLEGE

Annual Governors' Report

SEPTEMBER 2023 - AUGUST 2024

Aspire · Inquire · Excel · Belong

Governing Body

The Governing Body for Jersey College for Girls and Jersey College Prep for the academic year 2023 - 2024 was constituted as follows:

Parent Governors (elected by parents)

Elizabeth Boleat (Nov 2022 to Nov 2025)

Cedric Bird (Jul 2018 to Jun 2024)

Invited Governors

Louise Read Chair from Jun 2021 (Nov 2017 to Jun 2024)

James Willmott Vice Chair from Jun 2021 (Mar 2019 to Jun 2027)

Kirstie Greig (Oct 2018 to Oct 2027)

Alison Morgan (Oct 2020 to Oct 2026)

Chris Jenkins (Oct 2020 to Oct 2026)

Andrew Jarvis (Nov 2021 to Nov 2027)

Ed Thorogood (Nov 2022 to Nov 2025)

Farah Ballands (Mar 2023 to Mar 2026)

Susie Pinel (Feb 2024 to Feb 2027)

Staff Governor (elected by staff)

Simon Milner (Jun 2018 to Jun 2024)

Board Apprentice

Indigo Pike (Sept 2023 to Jul 2024)

Ex Officio

Carl Howarth Principal JCG

Catherine Precious Headteacher JC Preparatory School

In Attendance

Toni Rollo Vice Principal JCG

Rachel Baxter Senior Adviser, CYPES, GoJ

Julie Forsyth Bursar, JCG (May 2023 onwards)

Heidi Delves Clerk to Governing Body, JCG

Representations to the Governing Body may be made at any time by writing to the Chair of the Board of Governors, c/o the College Office.

Meetings During the Year

The whole Governing Body met on the following dates and discussed the following matters:

Monday 27 November 2023

- Appointment of Chair and Vice Chairs
- Report from the Principal and Headteacher
- Reports from the Sub-Committees and Foundation
- Meet the Headgirl team & updates on Joint Student Forum
- AI Thought Group feedback
- JCP School Review feedback

Monday 18 March 2024

- Report from the Principal and Headteacher
- Reports from the Sub-Committees and Foundation
- Updates on fee proposal, budget & funding
- Updates from Admissions Committee on familial priority considerations
- Capital projects updates

Friday 9 February 2024

Governors' Away Day

- 2021-2024 Strategy Review and discussions
- Managing educational & behavioural shortfalls at Reception entry
- Review of JCG/JCP KPI reporting

Monday 17 June 2024

- Report from the Principal and Headteacher
- Reports from the Sub-Committees and Foundation
- Safeguarding refresher course for Governors
- Mobile Phone Discussion
- Confirmation of Governor Terms of Office
- Updates on Governor recruitment

Annual Governors' Report

As Chair of Governors, it is both a privilege and a pleasure to reflect on another exceptional year at Jersey College for Girls (JCG) and Jersey College Prep (JCP).

Each year, our students, staff, and wider community work together to make our College a vibrant, inspiring, and inclusive environment where academic excellence, personal growth, and community engagement thrive. However, this year's report is not solely about statistics or accomplishments from a governance perspective. It is about something much more valuable—the voice of our students.

We believe in the importance of seeing the College through the eyes of the students themselves. Their voices, experiences, and stories truly reflect the heart of the College. Whether it's the excitement of their first year, the resilience developed through challenging projects, or the joy of being part of the House system and its events, their personal narratives highlight what it means to belong to this unique community. It is through their perspectives that we can better understand the depth of the education they

receive—not just academically, but socially, emotionally, and culturally.

This report will offer a glimpse into their journey over the past year—capturing their achievements, challenges, and the incredible spirit of collaboration and creativity that defines our College. As you read through their words, you will see how our students embody the College's values of aspiration, inquiry, and excellence. From participating in international trips and Model United Nations, to excelling in sports, music, drama, and innovation, our students have continually shown their commitment to pushing boundaries and making a positive impact on the world around them.

Through the voices of Prutha, Libby, Leena, Emily, Eloise, Sophia, Jess, Bella, Chloe, Arabella, and many more, this report will bring to life the rich experiences that Jersey

College offers. These voices speak of the power of friendship, creativity, perseverance, and the desire to make a difference, all while reflecting the ethos of our College.

Thank you for taking the time to engage with this report. We look forward to another year of extraordinary accomplishments, inspired by the brilliant students of JCG and JCP.

Our College continues to inspire its students to aspire, inquire, excel and belong. Each year brings forth a remarkable journey of growth, achievement, and community engagement. This report captures the highlights of the past academic year, as narrated by the students themselves, reflecting the essence of College life.

Prutha's Reflections on Year 7

Prutha, a Year 8 student, reflects on her first year at JCG with enthusiasm and fond memories. "Year 7 was a year of growth and learning, she shares. "We learnt to adapt to a new environment, make new friends, and engage in various exciting lessons. The highlights for me included the House events, particularly Sports Day, where we cheered ourselves hoarse, and the Festival of Cultures, where we explored different cultures and tasted succulent dishes."

Prutha also credits the support and guidance from teachers in helping her and her peers navigate their first year successfully. During her reflections, she mentions one poem that especially resonated with her as she transitioned into this new phase of her school life—Robert Frost's *The Road Not Taken*.

"I found great comfort in the final lines of this poem:

'Two roads diverged in a wood, and I

I took the one less travelled by,'

And that has made all the difference. It reminded me that even though Year 7 presented new and sometimes daunting challenges, choosing to embrace those

challenges has already made a huge difference in my growth."

House events form a significant part of the College community, fostering a sense of camaraderie and teamwork. **Leena** (Year 12), and **Emily** (Year 9), reflect on the power of House events.

Leena, speaking on House Music, shared, "House music is an event I enjoy every year. It helped me develop my performance skills and build confidence. The camaraderie I felt while singing alongside my housemates was truly special. Music brings people together, and House Music this year was a true representation of that."

Emily highlighted House Drama as an event that pushes students outside their comfort zones. "House Drama is a fantastic opportunity to connect with housemates and captains while building confidence. It's an annual highlight that helps us discover new friendships and a sense of belonging within the college."

Our College continues to champion creativity and academic excellence, offering opportunities for personal growth. **Eloise** (Year 13) and **Sophia** (Year 11), two students with a passion for different areas, reflect on their highlights.

Eloise recalls her experience with *Sister Act*, our school musical, as a pinnacle of her year, combining hard work with the joy of performance. "I played Sister Mary Patrick in our production of *Sister Act*. *Sister Act* was such a spectacular show and I'm so glad that I did it. Our school shows have always been a highlight of my time here. As well as being a creative outlet, throughout the years I've made so many lifelong friendships all of which I'm extremely grateful for. The JCG productions have always given me a sense of purpose when being in a school environment where I didn't always feel I could shine, and they sparked my love for performing, a passion which one

day I hope to make my career. Being in shows like Sister Act has been amazing and really rewarding. If you're given the opportunity to be part of something so special, I think you should take it because you might just find where you truly belong! If I hadn't auditioned for Calamity Jane back in Year 8 I wouldn't be the person I am with the friendships and aspirations I have today!

Sophia, on the other hand, emphasises the importance of sport at JCG: "The College encourages sport for everyone, regardless of skill level. I love participating in house events like rounders and table tennis because they're fun and competitive." She also highlights her personal achievement of being awarded Sportswoman of the Month for her contribution to Jersey netball and her team's success.

Jersey College students had the chance to travel and broaden their horizons through various international trips, enhancing their global perspective.

Jess (Year 12) recalls the Italian trip to Lucca as part of her GCSE Italian course. "It was one of the best trips I've ever been on. We stayed with local families, practised our Italian, and explored cities like Pisa and Florence. The friendships we made and the memories we shared will stay with us forever."

Chloe and Bella (Year 13) reflect on their three-week expedition to Namibia. Bella recalls, "The most challenging yet rewarding part of the trip was volunteering at Otjohorong Primary School, where we repainted classrooms and built playground equipment. It made me realise how fortunate we are and how grateful others can be with so little." Chloe adds, "Helping at the school taught me to appreciate the privileges we have and to question whether I've taken full advantage of the opportunities JCG has offered me."

Students also had the opportunity to enhance their

leadership and critical thinking skills through global competitions and intellectual challenges.

Tallie (Year 13) recounts her experience at the Model United Nations (MUN) conference at Queens College in Chester. "It helped develop my confidence and communication skills. Debating global issues gave me a broader perspective on the challenges people face around the world. This experience will aid me in my future career in media."

Shrusti (Year 13) highlights her participation in the Ritangle Maths Challenge. "The challenge pushed me to improve my problem-solving skills and think outside the box. Running Junior House Maths as a Senior Maths Prefect was another rewarding experience, seeing the enthusiasm of so many students participating."

Finally, **Arabella**, a Year 9 student, shares her passion for poetry, reminding us of the power of words. "Poetry is not just part of the English curriculum; it's a way to express thoughts, opinions, and emotions that might otherwise remain unspoken. It's a beautiful art form that allows us to string words together to create meaning."

As part of her reflections, Arabella shares her original poem titled 'Where We Belong,' which resonates deeply with many involved in our College:

Where We Belong

Within these walls, the echoes call,
Of laughter, learning, stories shared by all.
Through corridors, with friends we roam,
JCG, a place we call our home.
In every lesson, a new light sparked,
In every question, our paths embarked.
Together we stand, united, strong,
In this great community, where we belong.
As years go by, and we move along,
JCG will always be where we belong.

In addition to the highlights of the past year as remarked upon by our students, other highlights include:

- Assistant Headteacher, **Ruth Lea**, being awarded Teacher of the Year at the Digital Jersey Awards for her leadership of the College in its remarkable technological journey.
- The first international trip for the **JCP Senior Choir** when they sang in the O2 in London
- The introduction of outdoor education through weekly **Wild Fridays** for Year 7

- The powerful work our students were engaged in with their counterparts at Victoria College to combat violence against women and girls. Their involvement on the Taskforce and subsequent changes to the experience of what it is to be a girl resulted in our Colleges being awarded The Liberate Special Award for, and I quote Vic Tanner-Davy, 'an extraordinary and significant piece of work in the field of diversity, inclusion, fairness, equality, respect and acceptance.'
- The creation of **Hector's** café with the help and support of Santander
- The creation of a vital green space in the form of our field

- Development of play facilities across the JCP site
- A highly successful whole school review for JCP

The students' stories showcase the vibrant and enriching life at College. From house events to international trips, academic challenges to creative performances, every student has the opportunity to discover their strengths, develop confidence, and grow as individuals. As our Principal, Carl Howarth noted, "a Jersey College education isn't just about knowledge or exam results, it's about shaping your character, embracing challenges, and preparing oneself to make the world a better place."

2024 marks the end of our current four-year strategy 'Believe you can'. So much has been achieved over the past four years and now we turn attention to the formation of our new strategy for the next four years. I have been privileged to attend and listen to the views of parents last term through our series of strategy suppers. Their views, thoughts and ideas will be mixed with the ideas of our staff and students to form the new strategy which we look forward to launch in 2025.

Thank you College, thank you parents, my fellow Governors, our Foundation Trustees. Thank you to Louise Read our outgoing and quite exceptional Chair of Governors. Thank you to our talented staff team. And thank you to our very special and very skilled Senior Leadership Team for their patience and gentle guidance of the College.

Farah Ballands

Competitions & Events

During the year, JCP pupils and JCG students entered competitions covering a wide range of curriculum areas and took part in a number of events. Here are some highlights:

JCP

Music

Achievements

Our music program has thrived, with significant milestones achieved:

- **Choir Performances:** Both the Junior and Senior Choirs showcased their talents at various events, including the 2023 Carol Service, the Gala Concert organized by Jersey Eisteddfod in March 2024, and the JCP Spring Concert in May 2024.
- **Orchestral Growth:** The JCP orchestra has expanded, performing at the Carol Service and the Eisteddfod Gala Concert alongside the Wind Ensemble.
- **Extra-curricular Offerings:** JCP continues to provide seven weekly extra-curricular music clubs, including the Strings Ensemble, Signing Choir, and Ukulele Club.
- **Year 4 Brass and Woodwind Project:** All Year 4 pupils

received ten whole-class lessons on French Horn or Clarinet, culminating in a concert for parents. Several students continued with their instruments, joining the Wind Ensemble.

• **Christmas Celebrations:** The Year 2 production of The Angel Who Nearly Missed It All and the Reception performance of The Twinkly Nativity were highlights of our Christmas celebrations, alongside the KS2 JCP Carol Service enjoyed by the community.

- **House Music Event:** This year's House Music event featured 100 children, showcasing impressive performances from Year 6 musicians. Du Pre was crowned the winning house, with KS2 students participating in the House Choir competition led by Year 6 music leaders.
- **Inaugural Spring Concert:** Held at JCG, this concert featured all music ensembles and choirs, alongside soloists from the House Music event. The Year 6 music leaders played key roles in organising and introducing

The Governors' Report

performances, making it a successful celebration of JCP's musical talent.

- **Year 6 Production:** The annual production, *Treasure Island*, in June was a tremendous success, with exceptional singing and musical performances.

Competitions and Events

The music department has hosted several key events this year:

- **Open Day:** Our music room buzzed with excitement as children showcased their talents to a packed audience, with Polyphony tutors available for guidance and feedback.
- **Music Chalets:** New Music Chalets have been introduced for instrumental lessons, with the larger Millennium Garden chalet dedicated to cello and paired violin lessons, enhancing our teaching environment.

Despite a decline in the number of students taking weekly lessons with Polyphony from 98 in 2023 to 75 in 2024—partly due to changes in lesson structure and tutor availability—interest in strings, piano, and singing remains strong. It is essential to promote percussion, brass, and woodwind instruments to ensure the sustainability of our school orchestra and wind ensemble.

Looking ahead, we are committed to enhancing our music program and fostering a love for music among our students.

PE

Achievements

Our students have excelled in numerous competitions throughout the year. Highlights include:

- **Primary Schools Athletics Championships:** Lydia (Year 6) and Elizabeth (Year 5) secured 3rd and 4th places

in the throwing finals, while Millie (Year 6) finished 3rd in the long jump. Amy (Year 6) became the Jersey U11 runner-up in the 800m final, finishing 2nd, and Azmeera (Year 6) was crowned Jersey champion in the U11 85m final and runner-up in the U11 long jump. Both the Year 5 and Year 6 relay teams claimed 2nd place in their finals. JCP achieved joint 1st place with St Michael's in the team competition, earning the title of joint primary school champions for 2024.

- **Netball Performance:** The Netball A team finished 4th in both their league and tournament. The Netball B team secured 2nd place in their league and tournament. Millie and Kiki (Year 6) successfully represented Jersey in the U11 netball inter-insular, winning against Guernsey 22-3.
- **Cross Country and Other Events:** In the October cross country event, Amy (Year 6) placed 4th among over 200 competitors, contributing to a 3rd place finish for the Year 5 and Year 6 team. Our joint participation in the primary school tag rugby tournament saw one of our teams reach the finals, finishing 2nd in a closely contested match. The Lions Club Swimathon engaged 64 children and 8 staff members, raising £2,263 for local charities.
- **Cricket Success:** Our Year 6 cricket A team emerged victorious in the primary school's girls Kwik Cricket tournament.

- **House Competitions:** A total of 177 students participated in the annual Key Stage 2 swimming galas, with Grandin winning overall. The Key Stage 1 sports day saw Gilbert as the winning house, while Grandin triumphed in the Key Stage 2 sports day, where new school records were established in sprint and distance events.

The Governors' Report

Competitions and events

Throughout the year, JCP participated in a variety of leagues, tournaments, and events:

- **Leagues:** 3 Netball teams and 1 Cricket team competed actively.
- **Tournaments:** Included ESFA (football), Netball Fun Tournament, Tag Rugby, Hockey, and Cricket tournaments.
- **Events:** Participation in the Primary School's Open Cross Country, athletics championships, Swimathon, and football festivals. House events encompassed Year 3-6 Swimming Galas, KS1 Sports Day, and KS2 Sports Day.

JCG

Creativity & Performance

Art

JJ Fox Art competition: Three students were shortlisted and invited to exhibit their work as part of the JJ Fox Art competition. Edie won the overall prize out of 190 entries for her piece 'Second prize in a beauty contest'.

Coming Together Art Exhibition: An exhibition to celebrate the achievements of GCSE and A Level Art and Textiles students was held at the Berni Art Gallery.

Eisteddfod: Both Art and Textiles students entered the Eisteddfod across Key stages 3, 4 and 5. Fern won the drawing prize.

House Art:

Best Overall Display: 1st Austen Bartlett, 2nd Curie Fry, 3rd Cavell

Best KS3: Maggie

Best KS4: Naia

Best KS5: Fern & Ruby

Best Overall Piece: Edie

Drama

School Production - Sister Act: The Sister Act production was a huge success with students from Year 8 to 13 taking part. Students from Victoria College also took part in the acting and the cohesion of students from both schools was excellent. Students showed dedication, determination and advanced acting skills which brought the main hall alive with ticket sales being sold out every night. This show was a great example of the faculty with Music, Art, DT and Textiles coming together to support along with members of staff from the other departments assisting with the preparation and delivery of the production each night.

After the production had finished, in February 2024, the cast were invited to perform at the DIFERA award evening at the Jersey Arts Centre. Students closed the show with the audience delighted at our performance.

Wendy Makkenna Visit: We were delighted with a surprise of Wendy Makkenna, Hollywood star, who played Sister Mary Robert in all of the Sister Act movies visiting JCG for a Question and Answer session and to watch the production live.

House Drama: House Drama took place in October 2023 with Guy Browning, Tessa Coleman and Maurice Dubras as judges..

The winners were:

- Overall winner - Garrett Anderson
- Best actress - Grace - Garrett Anderson
- Best actress in supporting role - Lily - Austen Bartlett
- Best Newcomer - Emily - Garrett Anderson

The Governors' Report

- Best publicity - Cavell
- Best use of space and visuals - Curie Fry
- Jurat Sally Le Brocq award for Best Direction - Grace - Garrett Anderson

Food & Nutrition

Jersey Rotary Young Chef Competition: On Saturday 27th January 2024, six Year 10 Food & Nutrition students took part in the annual Jersey Rotary Young Chef competition.

This national competition, which is run by The Rotary Club, aims to encourage young people to learn how to cook healthy meals, consider food hygiene, and help develop the skills needed in a demanding situation. The challenge also required each student to design and cook a two-course meal in just two hours while ensuring it cost no more than £18.

Judging the dishes were three local food experts – Andrew Baird from the Longueville Manor Hotel, Tom Radiguet from Samphire restaurant and Tony Dorris from J.P. Restaurants. All students successfully completed the task and were highly commended for their efforts by the judges. The winner of the Genuine Jersey trophy for 'Best use of local produce' was Anais.

A big congratulations and very well done to all students who took part.

House Buddy Baking 2024: Throughout the months of February and March a sweet aroma filled the air in Food and Nutrition as Year 12 students and their Year 7 buddies teamed up for an exciting cupcake baking competition.

The delectable Buddy Baking event, aimed at fostering friendship and creativity, brought together students from

different Houses to showcase their baking skills and vie for coveted House points.

The atmosphere was charged with excitement and anticipation as students donned their aprons and rolled up their sleeves to embark on a culinary creativity adventure. The competition wasn't just about baking; it was about teamwork, innovation, and, above all, having fun. Creativity knew no bounds as teams brainstormed unique cupcake flavours, innovative decorations, and eye-catching presentations. From classic vanilla to exotic matcha-infused delights, each team infused their creations with a dash of personality and flair, reflecting their diverse tastes and preferences.

Unfortunately, there could only be two winning teams selected. Millie and her Year 7 buddies, Elodie and Maggie, won the overall award for Best Tasting cupcakes, and Emily and her Year 7 buddies, Mia and Yugan won the Creativity award.

A very big well done to all students who took part in the competition this year.

PE

Girls Schools Cup Athletics 2024: JCG took part in the annual Inter-school Athletics Cup in June held at FB fields. Both the senior and junior teams performed excellently, achieving high points for track and field events throughout the day.

- Junior Event (Year 7 & 8) JCG 2nd
- Senior Event (Year 9 & 10) JCG 1st

Sports Day 2024: Sports Day was a success with dry conditions and school records broken. Students showed House spirit throughout however, Garrett Anderson were winners of the Quaich Cup which is awarded each year to the House who demonstrates visual and vocal enthusiasm.

The Governors' Report

Overall winners this year were Cavell who have won Sports Day for the past three years with Curie Fry and Inglis placing 2nd and 3rd with 6 points difference.

Textiles

House Fashion: The winners in our annual **House Fashion** competition were as follows:

- Best Creative Piece – Angel by Mia - Cavell
- Junior Prize – Cecily – Inglis
- Designer with Most Potential – Savanna - Garrett Anderson
- Senior Prize - Emily - Garrett Anderson
- Best Collection - Curie Fry
- Best Performance - Nightingale

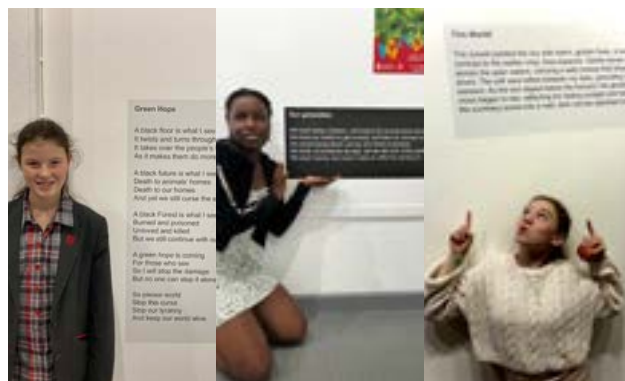

English & Media

Lucia was the winner of the **Planet Prose**, a short story competition (15-18 category), with her piece 'She is Earth'. The competition, which invited stories about climate change, sustainability, and nature, was organised in celebration of World Book Day 2024, and Lucia had her story published in the Jersey Evening Post in March 2024.

Skye won the under-18 category for the channel-island wide **Liberate LGBTQ+ competition** for her poem 'Birth of the Eclipse.'

As part of their **Children's Festival**, the Jersey Arts Centre hosted an exhibition of creative writing reflecting islanders' perception, understanding and experience of the world today. We were incredibly proud that pieces from our year 7 students, Agnes, Eleanor, Esther, Freya, Lia and Reina,

were selected to be exhibited in the Berni Gallery.

In the Year 10 **House Debates**, students across the year group were involved in discussing the issue of free speech in social media, showing consideration and respect for others' points of view. Parental feedback from the finalists reflected the pride that students felt in their success: 'I think it's wonderful that JCG gives the students such great opportunities to learn skills which will benefit them throughout life',

'Hayden feels very proud of herself, she practiced at home and while she felt nervous she was very determined to not let anyone down',

'Penny was very proud of herself and enjoyed the debate very much... we are so pleased she had the opportunity to participate. I'm sure she would do it again in a heartbeat!'

In the Autumn Term, **House Poetry** was launched on the theme of Nostalgia. This attracted entries from across the school, including senior winner Kate (Year 12) and junior winner Arabella (Year 8).

JCG students continue to engage widely with other competitions, and we have broadened participation further this year. A large number of students have entered the **Never Such Innocence Competition**, **The Commonwealth Essay Competition**, **the Jersey Festival of Words Competition**, **Martha Mills Young Writers Prize** – with further winning entries to be announced in the new academic year.

In Media Studies, teachers promoted and supported entries to the **EMC Media Production Competition** and the **BBC Young Reporter Project**.

The Governors' Report

Humanities

Historical Association Great Debate competition – Victoria College February 2024: two Year 12 /history students represented JCG in this regional heat of the competition and were commended for their debating skills.

Modern Languages

12 JCG students took part in the **Global School Alliance Competition**, in which they produced a piece of writing or artwork to express the importance of language learning and to promote diversity and an appreciation of other cultures. An entry from Lucia in Year 12 was selected and shortlisted as a finalist. Lucia was chosen as a runner up from a group of 550 students. The competition culminated in a ceremony on the 17th of Oct. JCG and Lucia was praised during this ceremony, for this amazing work.

48 entries into the **Anthea Bell Translation Prize**, run by Queen's College, Oxford University. This compares to 13 students in 2023. One student was selected as the winner of the Southwest area Italian KS4 section.

2 students entered the **Oxford University Flash Fiction** competition. One received a highly commended certificate.

Year 9 students again took part in the **GCHQ National Language Competition**, completing a series of code-breaking challenges.

We had a record 99 entries for **House Languages** (compared to 40 entries in the previous year), with entries across all year groups for French, Italian and Spanish; the standard was impressive.

Other achievements

- Two students were supported to sit Russian GCSE this year; tutoring sessions were organised to help them to prepare for this. Both achieved grade 9.
- One student was supported to sit Turkish GCSE this year; a visiting examiner was organised from the UK to conduct the speaking exam. This student achieved grade 7.
- One Year 9 student was supported in her early entry French GCSE, as French is a home language for her. She achieved grade 9.

Maths

Economics

Mabel entered the **Government of Jersey 'Future Economy' essay competition**, winning 1st prize which came with a 6-week, paid internship with the Government of Jersey's Economics Unit. She wrote an essay on the following topic: 'Small businesses are a driver of innovation and economic growth. What does economic theory and evidence tell us about the role of small businesses in driving innovation and economic growth, and, the factors, relevant to Jersey, that would enable small businesses to grow and flourish?'

3 teams of 5 students entered the annual **Ashburton Share Challenge** competition. Our best team finished 6/25 teams but, overall, we ranked 5/6 for Jersey secondary schools.

Ashburton visited school and delivered a presentation on careers in investment banking and the fundamentals of portfolio management.

Computer Science

357 students took part in the **Bebras Challenge**, a national computing competition. Maisie, Eleanor, Lauren, and Cassie all won best in school in their age category. 40 students qualified for the follow-on **Oxford University Computer Challenge**, with many congratulations to Amelia and Prutha for gaining a Merit award.

Maths

JCG Sixth Form again entered students for the **MEI Ritangle** competition, successfully solving most of the first round problems. The event was led by the Maths prefects and involved Maths students in both Year 12 and 13 working

together.

Sixth Form students also entered the **UKMT Senior Maths Challenge** with Erin achieving a commendable Silver certificate.

In March, two Sixth Form teams (one from year 13 and one from Year 12) entered the **Liverpool Maths Society** annual Pop Maths Quiz, with the Year 12 team achieving an excellent Silver certificate and the Year 13 team a Bronze certificate.

Eight students entered the **Southampton Maths Challenge**, six in the Junior category and 2 in the Senior. Prutha's solutions to the challenging problems won a Merit award which she received in person at the University of Southampton awards evening.

Our two Year 10 set 1 classes, taught by Mr Abraham and Mr Sleath, entered for the first time the **Mathematiques Sans Frontiers** competition, with each class forming a team fueled by Domino's pizzas. In this competition, run from Scotland, the first question is set and must be answered in a non-English European language. Both teams did well, with Mr Sleath's class narrowly pipping Mr Abraham's by one mark.

125 Year 9 and 10 students entered the **UKMT Intermediate Maths Challenge**, the most in recent years. Evie and Ella-Mae in Year 9 and Gisèle in Year 10 won Gold Certificates, with Evie and Ella-Mae also qualifying for the follow-on Kangaroo round. A further 7 students won Silver certificates and 27 won Bronze certificates.

153 Year 7 and 8 students entered **UKMT Junior Maths Challenge**, with Lauren, Esther and Aashi all winning Gold certificates. Lauren and Esther also qualified for the Junior Kangaroo, both achieving Merit certificates.

House Maths again created a buzz of excitement as House teams battled it out with times-tables against the clock, problem solving rounds, and races. Well done to Curie-Fry (Year 7 winners), Inglis (Year 8 winners) and Inglis (Year 9 winners).

Science

Fourteen Year 12 students took part in the **Cambridge Chemistry Challenge** in June. Six students achieved a Copper Award and were presented with certificates.

The student-led **House Science Fair** was successful in engaging more students (approximately 50) in scientific investigations.

The **'Think Like a Scientist' Science Roadshow** was delivered to seven local primary schools. This gave approximately 300 Year 5 and 6 students an insight into science, and into the scientific equipment used in secondary schools.

All Year 10 took part in the **Junior Physics Challenge** (as part of the Physics Olympiad) in May. This was a national challenge to give students a chance to take part in a quiz that went beyond the scope of the GCSE Physics course. Students were awarded certificates to recognise their accomplishments. Ava was the only student, out of almost 100 at JCG, who was awarded a Gold Certificate. This really is a fantastic achievement and we are so proud of her consistent efforts at college.

The **Introduction to Dissection Club** has allowed students to refine and develop their dissection skills.

The **Biomedical Summer Programme** involved 19 students from multiple secondary schools across the island, exposing the students to different career pathways in health care.

8 students from most year groups helped during the **Lego Robotics Creative Minds** challenge day for primary school children. Approximately 20 primary schools took part.

6 Year 9 students successfully built and raced an underwater drone as part of the **Ports of Jersey Seaperch** competition against other schools and experienced fun and interesting aspects of Physics-related careers.

Attendance

The JCG overall attendance for 2023-2024 was 94%. This in line with the 2022-2023 figure; our target remains 96%.

In 2023-2024, two students were externally suspended (for 2.5 days in total)

The JCP overall attendance for 2022/2023 was 96.2%.

Educational Visits

JCP

Music

Music remains a vital part of life at JCP, with students engaging in numerous events throughout the year. Highlights include the Senior Choir's participation in the Young Voices Choir at the O2 Arena in London, where they joined a choir of 8,000 children, accompanied by professional musicians and dancers. This inspiring experience has garnered overwhelmingly positive feedback, and we are excited to plan a repeat opportunity for January 2026.

PE

In the past year, our PE curriculum has been enriched by various external partnerships. Notable visits from coaches representing Jersey Cricket, the Jersey Netball Association, a specialist Tennis Coach, and the Jersey Rugby Club have inspired our students and provided pathways for further involvement in sports outside of school. These collaborative efforts have strengthened our relationships with local sporting organizations.

Reception

Reception had a busy year! Susan Parker from Jèrriais Teaching Service came in to read the Jèrriais version of a Squash and a Squeeze "La Maison Crêpie et Squouïzie"

which had been specially adapted. Every child was also given their own copy of the book to take home with a link to listen to it being read in Jèrriais.

Monya Van Den Berg from the Jersey Hedgehog Preservation Trust came into reception to speak to the 3 Reception classes about hedgehogs. The children have been learning about the changing seasons and Monya was able to teach them what a healthy hedgehog looks like and when you should call for help. They got to look at hedgehog spines close up and a sample of poo!!

Kaz Padidar from Wild Adventures joined Reception for one of their weekly Forest School sessions as part of the One Tree Day event. He taught the children how to build dens. Three police officers brought different vehicles for the children to go in and find out about how the police can help us. For Mother's Day the children learned some songs, a class poem and painted portraits of their mothers. Parents were invited for a special assembly where the children shared their learning. In May the 3 classes went to Lodge Farm. Here they met Becky Houze, the farmer, who gave them a tour of the farm. They got to stroke the calves, see the milking parlour, see the bull and the pregnant sows and go in the tractor.

In June, the three Reception classes visited La Rocque beach. They built sandcastles, did some beach art and went rock pooling.

The Governors' Report

Year 1

Year 1 had a year full of adventure and discovery. In October and November, they explored wildlife with trips to the Zoo, where they learned about animals and conservation efforts. In February, they travelled to Gorey Castle, stepping back in time to learn about Jersey's history and medieval architecture. Year 1 enriched their learning about Judaism with a visit from Mrs Bernstein who brought real Challah bread for the class to try whilst learning about Shabbat.

In the Summer term, Year 1 learned all about Dog Safety from Mandy from Child Accident Prevention Jersey. We learnt how to look for the signs to tell a dog's mood and what to do if a dog approaches us.

Year 2

Year 2 children had an enriching experience participating in various trips throughout the academic year. In November, they learned about the recycling process and sustainability with a trip to La Collette Recycling Centre. In February, they explored maritime safety and learned

about the work of the RNLI with a visit to St Catherine's Lifeboat Station. Lastly, in June, they broadened their cultural understanding with a trip to the Mosque, learning about different religions, beliefs and communities.

Year 3

Year 3 children had a busy and exciting year. In October, they visited a Farm, exploring agricultural life and local produce. In January and February, they participated in the French Eisteddfod, showcasing their language skills and performing on stage. During Diwali they welcomed parents from the Hindu community who shared why and how Diwali was celebrated in their families. In the Easter term they held a 'Late night Lock-In' to tie in with an adventure story about an Egyptian Museum adventure. They stayed in school until dark, played Egyptian games and a scavenger hunt, watched an Egyptian theme movie and ate dinner together. Much fun was had. In June, they celebrated World Ocean Day by visiting L'etacq and learning about marine conservation. The year wrapped up with a fun trip to Greve de Lecq Beach in July, where they enjoyed the seaside and reflected on their year's achievements.

Year 4

Year 4 had an educational and engaging year of trips. In October, they visited La Hougue Bie, discovering more about Jersey's ancient history as well as a visit to Jersey Zoo for JCP's Science Week. In January and February, they joined Year 3 in participating in the French Eisteddfod, performing French-language pieces. Also in January, Year

The Governors' Report

Year 4 had a visit from a dentist to supplement the learning in Science on teeth and how to look after your teeth. In March, they delved into medieval history with a visit to Mont Orgeuil, and a visit to Greve de Lecq beach rounded off the topic 'Coasts' where pupils looked at coastal features and met with JCG students for a beach clean

Year 5

Year 5 had a year filled with both cultural and adventurous activities. In October, they experienced life in Victorian times with the Victorian Town Trail and visit to the Merchant's House at Jersey Museum, attended a Concert at the Methodist Church, and participated in the Primary Cross Country event with Year 6. In December, the year group was visited by Reverend Tony Morling from St Helier Methodist Church, who spoke to the students about the Christian symbols of Christmas. In February, they visited Jersey Zoo to find out more about the layers of the rainforest and the animals that live there. In April, they visited the States Chamber, where they learned about government and politics. The excitement continued in June and July, when they spent multiple days at the Scout Centre. This was followed by Water Safety at Harve des Pas and Safety in Action sessions at Highlands College, when Year 5 learnt about other ways to stay safe, such as what to do in the event of a fire. Their adventure-filled year concluded with a Snorkelling Program at Langford Pool and Bouley Bay.

Year 6

Year 6 students experienced a year full of memorable events. In October, they participated in the Primary Cross Country event with Year 5. In January, they showcased their musical talents at the Senior Choir at the O2, and in March, they had the opportunity to watch the Year 6

Show at VCP. Mrs Otterwell from Jersey Heritage came in to do a workshop about the Holocaust and the Jersey 21. A team of Y6 children took part in the De Putron Challenge and won the Jersey heats and played in the inter island final against Guernsey. They watched Sister Act at JCG which inspired them for their own production. Mr Frigot and Janet Willis came in to talk to them about WW2 and the Occupation. Janet Willis also came to do a textile project with them. Throughout the year Lauren Devine came over from JCG to do workshops and discussions about Transition. We also took the children over to JCG for Transition activities and donuts!

The highlight of their year came in July with an exciting French Trip, where they explored French culture and history. To finish the year, they celebrated with a fun Cinema Trip before saying farewell to primary school.

JCG

Creativity & Performance

Art and Textiles

Berlin - November 2023: The Berlin trip was organised for year 11, 12 and 13 students who are studying Art and Textiles. Students had the opportunity to visit galleries such the Kathe Kollwitz Museum, Hamburger Bahnhof and the Berlinische Gallery. Students also explored the city's sites of cultural and historical significance including the Reichstag, Berlin Wall, Brandenburg gate, Checkpoint Charlie and the TV Tower.

The Governors' Report

Design and Technology

All Year 10 students visited the **Pallot Steam Museum**.

3 Teams (8 Y10 students and 4 Y9 students) visited Les Quennevais School for Association of Jersey Architects competition.

1 team entered the **SeaPerch competition** at Langford swimming pool with Ports of Jersey.

The plan for September 2025 is to take 25 D&T students to London with Physics on a STEM style visit.

Drama

Lucy Jordan Visit: Visit from Lucy Jordan (alumni) who now works as a casting agent in London. She delivered three talks to GCSE and A Level Drama students about her role in the film, TV and theatre industry. Students gained experience of what directors and casting agents are looking for in auditions.

Food & Nutrition

On Tuesday 12 December, Year 10 Food & Nutrition students participated in the annual Shelter Trust's Soup Kitchen in the Royal Square and helped the charity raise in excess of £23,000.

This year was the 25th year the charity has organised this event and it turned out to be the most successful event to date. The aim of this big community event is to raise money to help homeless people in Jersey. We also found out there are approximately 100 people sleeping with the Shelter Trust regularly.

PE

Jasmine Harrison Visit: The Year 13 Sports Captains and Sports Ambassadors had the privilege of a Question & Answer discussion session during lunchtime with the adventurer and rower, Jasmine Harrison. Jasmine is the youngest solo female to row the Atlantic Ocean and the first female to swim the full length of the British Isles. Jasmine also spoke during assembly on her past achievements, challenges and her future events.

English & Media

The year 13 trip to London was a huge success in its first year, and this is being repeated in the new academic year. The trip included visits to the Guardian Newsroom, Sky TV, and the West End theatre.

Year 12 visited ITV Channel TV and attended a workshop on news and working in creative industries.

English cinema trips included the National Theatre Live screenings of Uncle Vanya and Life of Pi, as well as a screening of The Color Purple.

Year 12 attended the Jersey Festival of Words for an evening with poet Laureate, Simon Armitage. This was an opportunity for students to hear Armitage speak about his career and read a selection of poems from his earliest collections through to his latest works.

As well as trips, JCG hosted visits from the JEP and Jersey Arts Centre, which involved interactive workshops with our students.

Humanities

Year 11 History: Krakow and Auschwitz - December 2023

Year 11 History students visited various historical sites in the Polish city of Krakow including Schindler's factory. They also spent a day on a guided tour of Auschwitz-Birkenau extermination camp.

Year 13 Psychology: Magistrates' Court visit - December 2023

Year 13 students had the opportunity to visit the court and sit in on some of the cases being heard. They also had the opportunity to tour the building and ask the sitting magistrate questions about their work to support the Criminal

Psychology unit. Year 12 and 13 Psychology: Brain Day

- January 2023 Year 12 and Year 13 students took part in sheep brain dissections and learnt about the latest neuroscience research from Dr. Guy Sutton to support their understanding of Biological Psychology and mental health.

Year 11: Fieldwork to Bouley Bay

All Year 11 students attended a day's fieldwork in Bouley Bay which allowed them to gather data for their GCSE examination

Year 11: Fieldwork to St. Helier All Year 11 students attended a day's fieldwork in St Helier which allowed them to gather data for their GCSE examination.

Year 12: MUN Conference - November 2023

The MUN Year 12 Elective Group attended the College's first MUN conference at the Queen's School in Chester. The students learned debating skills representing a range of views from their allocated countries. It was a steep learning curve but led the students to be able to host the College's first MUN conference in October 2024

Languages

Lucca: 20 students from Year 10-13 benefited immensely from a full immersion cultural experience in Lucca. They stayed with Italian host families, attended lessons in a language school and enjoyed cultural visits in Lucca, Pisa and Florence.

San Sebastián: 30 students from Year 10-13 took part in a full immersion study visit to San Sebastián, during which they had the opportunity to develop their language skills and deepen their understanding of Spanish culture.

Rouen: Planning is underway to take a group of 40 students from Years 10-13 to Rouen in October 2024.

Maths, Computer Science and Economics

Maths

All Year 7 students visited **Highlands College** twice this year: in January for a great carousel of activities focusing on using a scientific calculator and in July for an opportunity to try out the fabulous collection of puzzles curated and expanded each year by the Maths Department at Highlands.

Year 12 students visited **JCP** to deliver a problem-solving workshop for Year 6 students and hosted a similar event in the Hall at JCG for JCP Year 5 students.

Economics

Mrs Hadjam took 4 students from Year 12 to the **Economic Minister and Chief Economics Advisor Institute of Directors lunch**. Students listened to several presentations and were able to ask questions.

Science

Students have been extending their experience in Physics and STEM, including beyond Jersey.

Amelia in Year 13 visited the UK to take part in the **Institute of Physics' Quantum Hackathon**.

In order to look at Physics in action, and to experience some of the fascinating careers that an A Level in Physics can lead to, our Year 12 Physics class visited a **Royal Navy Fleet Air Arm Merlin Helicopter** at Gama Aviation on the afternoon of Thursday 13th June. This was an exciting and rare opportunity for people to have a look at the Merlin Helicopter up close and in person, get inside and have a look around and talk to currently serving Aeronautical Engineers and Pilots to see if a career in the Royal Navy is for them.

St Ouen's PAG: All Year 12 Biologists attended St. Ouen's to do a field study on Biodiversity and Abiotic factors affecting biodiversity using transects.

“

JCG is a really nice environment to have received my secondary education in. The culture has a good balance of academic rigour and excellence but also a really caring community.
