Welcome to Jersey College

Students at our College thrive on expert teaching, excellent facilities and a vast range of co-curricular enrichment and expedition activities.

Staff are caring, dedicated and creative, and our exceptional academic results are a testimony to the personal and collective success of all here.

This prospectus is printed on 100% recycled paper using eco-friendly ink and is recyclable.

Welcome to Jersey College for Girls and Jersey College Prep...

... two places full of learning, kindness, and vibrancy.

Our community thrives on a shared passion for education and a collective desire to be the very best people we can be.

At both JCG and JCP, our learning style—whether in the classroom or through our expansive co-curricular programmes—is tailored to how our students learn best, enabling them to flourish. We understand that choosing the right school for your child is of utmost importance as you embark on this new path as a family.

JCP nurtures happy, confident, and caring children who enjoy positive relationships and show compassion and respect for others. As they grow as individuals, we hope they feel valued and can together forge a

strong, supportive community. With strong parental support, dedicated pastoral care, and outstanding learning opportunities, our children are well-equipped to continue their journey and excel in both their educational development and self-discovery.

Similarly, at JCG, we believe that the experience extends beyond our walls, becoming part of the fabric of our students' lives. Through our belief in them and our care for them, we empower our students to want to build a better world. By the time our students leave JCG for university or the working world, we aim to have equipped them to believe in themselves, relish opportunities, challenge prejudice, and deeply value the positive impact their

service can have on the wider community.

We recognise the importance of these precious years at JCG and JCP and the lasting memories they provide. Happy children are more likely to thrive, so every decision we make prioritises our students' well-being. Our dedicated staff work tirelessly to create an environment that is both challenging and nurturing, encouraging students to explore their passions, develop their skills, and become resilient in facing challenges.

It is a privilege to lead these remarkable schools and to work alongside our dedicated staff to support every

student embrace a mindset of 'I believe I can'. We hope that when you visit us, you will feel the same strength of belonging and enjoyment that defines Jersey College for Girls and Jersey College Prep. Our commitment to fostering an inclusive, supportive, and enriching environment is at the core of everything we do, and we invite you to join us in our mission to inspire and empower the next generation of leaders and changemakers.

Carl Howarth, Principal, JCG

Catherine Precious, Headteacher, JCP

Our Jersey College Values

Aspire

You have a passion for your learning, to be ambitious, resilient and have the desire to be the very best you can be.

Inquire

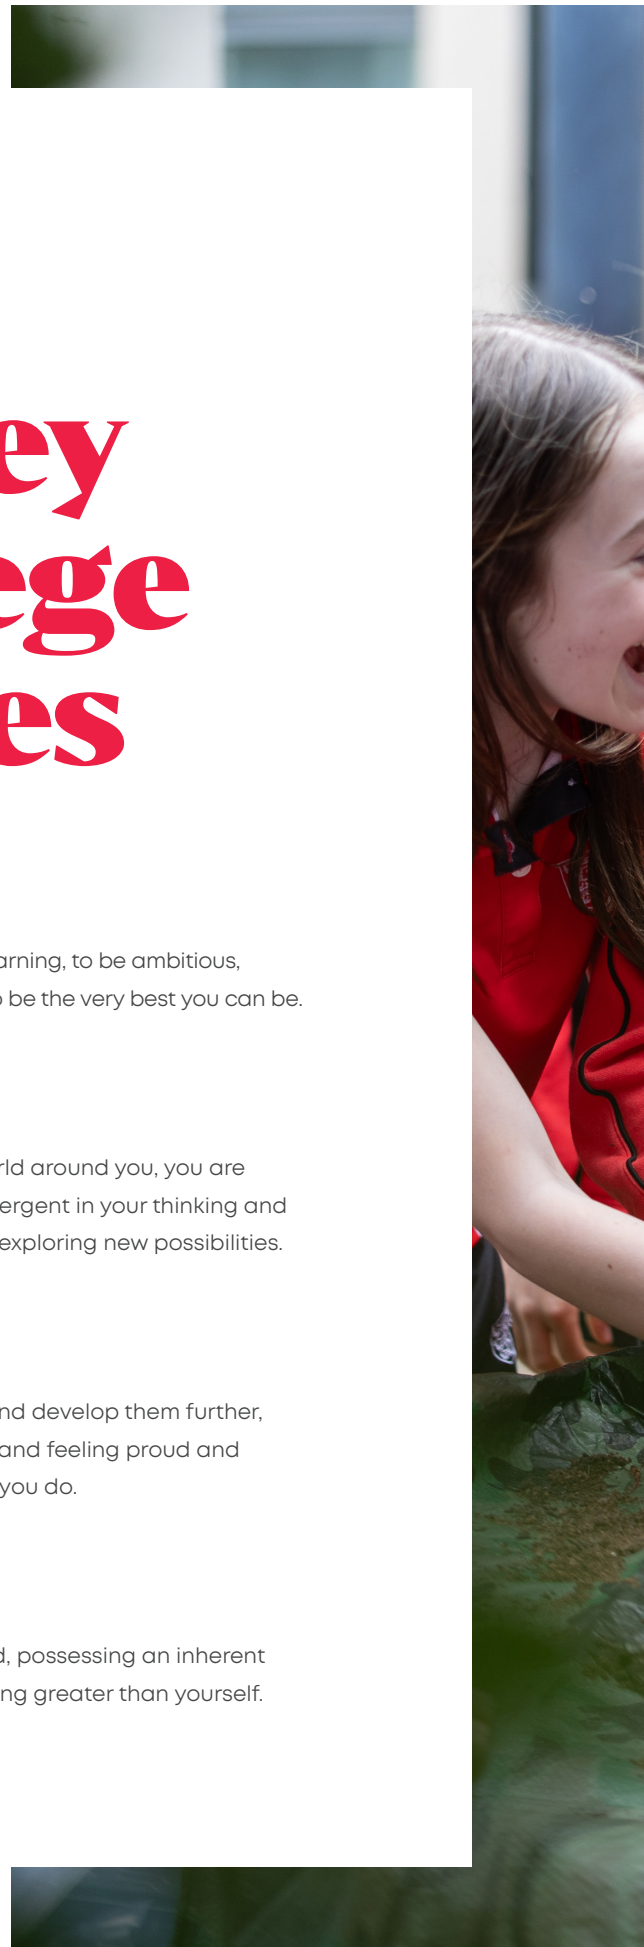

You are curious about the world around you, you are proactive in your learning, divergent in your thinking and confident in questioning and exploring new possibilities.

Excel

You discover your strengths and develop them further, exceeding your expectations and feeling proud and passionate about everything you do.

Belong

You feel valued and accepted, possessing an inherent desire to be a part of something greater than yourself.

Believe
you can

What Our Students Say

“

It is a great place to come to school. Everyone is friendly and it is a nice environment to work in, even when there is lots of stress due to exams. The teachers are always there for you and want to help you.

“

I think one of the best things about JCG is the range of school clubs and PE lessons. eg. climbing, tennis, football, hockey.

“

The sense of community and unity, personally, makes JCG a unique school and helps people to belong and settle in during transition.

“

It is always busy and there is always something happening, and it gives the College a really nice atmosphere. The teachers love their subjects and make learning exciting.

“

There is a feeling of community in the school. It's really amazing!. I look forward to going to school everyday!

“

The teachers. They are passionate about the subjects that they teach, and it is always encouraging to be taught by somebody who enjoys their job, and who enjoys helping people to learn

“

Everyone is caring and they won't judge you. It's like a second home.

Value
and be
valued

“

I love the range of subjects here as there are so many to choose from. There is something for everyone.

“

As a student at this wonderful school, we are encouraged to do our best and enjoy learning every day.

“

It's a safe place for learning and sharing your opinions. I really like the community that we have here.

“

The teachers and pupils at JCP are super supportive and friendly; they

always make us feel like we belong.

“

Jersey College Prep is an amazing place and I would definitely recommend people come here because it's a very big community where everyone is welcome!

“

I particularly enjoy using all the outdoor spaces for things like sport or playing with friends.

“

Jersey College Prep

At Jersey College Prep, we aim to achieve quality and excellence in every aspect of school life. Our aspiration for all our students lies at the heart of our core values: Aspire, Inquire, Excel and Belong.

In our pursuit of excellence, we aim to provide our students with engaging, dynamic learning experiences and continually review the strategies we use for promoting and monitoring the quality of teaching and learning as well as student attainment. It is our objective to ensure each child achieves their full potential at each stage of development. We welcome the support and involvement of parents, and we believe it is essential to keep them fully informed about the progress of their children.

Our ambition is for all children to grow into happy, confident, caring students, who enjoy positive relationships and show compassion and respect for others, and we will strive to forge a strong and supportive community.

We want to develop hardworking, independent learners and creative thinkers. Our students are encouraged to take full advantage of opportunities and aspire to the highest standards. We aim for our students to be inquisitive, ambitious and motivated in their approach to learning.

Pupils will grow in independence, be reflective in their thinking, be eager for challenges and be resilient enough to be able to cope with any setbacks they may face.

Jersey College for Girls

Our students settle well into the Senior School. Whether joining us directly from JCP or from another school, our kind and caring welcome ensures that we get to know each student individually and offer strong support and a steady hand to all.

We equip our students with the knowledge and tools they need to successfully choose their GCSEs and A-levels. Our lessons are stimulating and engaging with focus not only on learning, but enjoyment.

Our co-curricular ranges from live shows to the Duke of Edinburgh Award, and we encourage requests for new and vibrant activities.

We prioritise student learning and our students gain strong exam results at all levels, but we also recognise the value of leadership, compassion and life experiences which equip students for the life they choose to lead. We endeavour to create opportunities for all students and we encourage them to exploit these opportunities.

Student Welfare

We care about our students. We care about their academic progress, about their welfare, and about their character. We nurture our students so that they can flourish.

All parents want their children to be happy, successful, well-rounded individuals, and at Jersey College we seek to develop a student's sense of self, their confidence to embrace challenges with a smile and their understanding of where to find support - secure in the knowledge that this will always be given.

We believe that it is artificial to separate pastoral from academic care as the two are intrinsically linked. Our pastoral team has a detailed overview, understanding and appreciation of each student in the school and the progress they are making in all aspects of their development.

At JCP, children build strong relationships with their teaching team. As well as providing support to the children and their families, our teachers are supported by our Pastoral and Wellbeing leader who guides our team of support staff to provide wellbeing support.

At JCG, in addition to the tutor team, students have access to full-time counsellor provision and teaching assistants who are trained to deliver ELSA (emotional literacy). Each year group is overseen by the Head of School, supported by their Assistant.

“
One phrase is often heard, ‘this feels like my second home’.

House System

The Jersey College House system is an integral part of our senior school life and helps support the ethos created at the College.

At JCP, there are four houses which are led by Year 6 House Captains.

Upon entry to our senior school, each student is placed into one of our six houses, led by a team of Year 13 Captains who encourage competitions, fundraising and a buoyant team camaraderie.

Teaching

Our students' attainment reflects the hard work of students and staff. Our public exam results place the College within the top 4% of schools nationally. Our students are accepted into world class universities every year.

We are a high achieving College and believe that our students can all be the best they can be. As a College, we gain impressive 'added value' across the academic range as well as allowing all students to be stretched intellectually

A photograph of four students in school uniforms (red sweaters, grey blazers, and plaid skirts) playing table tennis outdoors. One student is in the foreground, gesturing with her hands. Another student is in the background, smiling. A third student is on the right, and a fourth is on the left. A table tennis table with 'ALL WEATHER' branding is visible. A yellow and white ball is in the air. The background shows a building with air conditioning units.

Facilities

We continue to invest in our facilities to ensure we provide the very best educational experience.

The architecture at our College is a mix of modern and traditional, and the Colleges have a strong heritage in Jersey. We have excellent, purpose built amenities including the Langford Sports Centre (sports hall, swimming pool, dance studio, fitness room, gymnasium, climbing wall), Design centre, Drama centre, Science centre, specialist music rooms and bright, modern classrooms offering the latest technology.

Exceed
expectations

Creativity

Our Creative Faculty is a vibrant sanctuary for creative souls.

We recognise the benefit and importance of The Arts and our students welcome the opportunity to showcase who they are and what they love.

Creativity can be found in all subjects and we encourage our students to embrace a creative way of life through their own mediums.

Physical Health and Wellbeing

We recognise that a healthy mind and body are key to our students' wellbeing, and we offer a wide variety of sports and other co-curricular clubs that encourage activity.

Our students have the opportunity to pursue their chosen sports to compete on a national level, as well as simply for pleasure. Participation in a variety of activities is encouraged at all ages and all levels.

Our catering team offer a balanced and varied diet, so our students can maintain energy levels throughout the day. We also cater for any special dietary requirements and listen to students' requests.

We have a team of counselling and emotional literacy support staff who work with our students to enable them to find confidence, comfort and joy in who they are and what they do. We also aim to work in close partnership with parents to ensure our students' needs are always met.
