

A Level Italian Bridging work

We are delighted that you have decided to continue with your Italian studies for A Level.

In order to bridge the gap between the end of your GCSE studies and the start of the A Level course, we would like to suggest some ways to help you consolidate and develop the level of Italian with which you ended Year 11.

Please find below a range of different activities for you to complete before the beginning of Year 12. For your A Level course it is essential that you have a broad knowledge of the society, culture, customs, politics and musicians in Italy and Italian speaking countries. There are some compulsory activities, marked **C**. You will need to complete **all** of these. There are other optional activities, marked **O**. You will need to complete **at least 3 of these**.

In your first few weeks of Year 12 there will be a grammar test.

Tick off all the activities you complete over the holidays and bring this to your first lesson. There will be achievement marks awarded for your efforts. It really will help you start off the term on the right foot.

Ci vediamo a settembre!
