

Yr11 budding Chemists

Please explore the resources in this link from the University of Cambridge.

<https://www.murrayedwards.cam.ac.uk/she-talks-science/chemistry-resources>

It's not an area that we look at through the A level course but it's so fascinating. I hope you agree!

If you have time, I love this programme. It's all about the history behind the periodic table. How did we know so little just 150 years ago!
