					of the afternoon. It will help to develop your independence in regulation and resilience.
Legally Blonde Singing sessions	1:15-2:00	Drama or C9	Cast as per the published scedule	KMO / CS	In this session every week Mrs Morel-Orchard and Mrs Stone will ensure all songs are ready, harmonies in place and cast feel confident in their singing parts. It is an essential session for cast members if they are called. Attendance is expected but the learning will be upbeat (like the show itself) and will hopefully help us to grow as a company.
String Ensemble	1:20-2:00	C2	Open to all string players	JM and KMO	String Ensemble gives students the opportunity to develop their instrumental and ensemble skills through performing a varied range of repertoire, while learning how individual parts contribute to a successful performance. Being part of a string ensemble also develops **discipline, concentration, collaboration and resilience**. Students learn to listen carefully to one another, take responsibility for their own part and work consistently towards a shared musical goal. Rehearsing and performing as an ensemble encourages students to develop confidence, perseverance and a strong sense of responsibility. The ECA is open to students with a range of experience and will provide opportunities to perform throughout the year.
GCSE Climbing Club	1:10-1:50	Gym	Y10 and 11	LM	Builds courage and problem-solving skills as students tackle challenges, while also fostering trust and perseverance.

Clubs Autumn 2026

Discussion Club	1:15 – 1:50	R22	All years	LA and SW and the Humanities Prefects	The main aims with this club are to build confidence within students in their public speaking skills, practice building arguments with research, and to get different year groups discussing relevant topics that they are actually interested in. We would like to emphasise that this is not a political debate club, where people are personally argued against, but instead is meant to foster discussion and build on our own ideas by talking to other people.
Portuguese for Beginners	1:10 – 1:50	C25	Year 7 and 8	Junior Prefects	This club helps students build confidence and communication skills as they learn the basics of a new language. It encourages curiosity, perseverance and an interest in different cultures.
AFTER SCHOOL CLUBS					
Squash/Racquet ball	3:30 – 4:30	Sports Hall	All Years	SL	Develops agility and resilience through competitive play, while also instilling focus and respect for fair competition.

				English prefects)	poems, we often share and focus on a range of local and international competitions as well. Students to express their creativity through a range of writing competitions, and sharing their work with others can help develop humility and perseverance by engaging with feedback and using constructive criticism to improve their work.
Junior Drama Club	1:10-2:00	Drama Studio	Y7, 8 and 9	Drama Capts	This is a chance for younger students to come together to increase their confidence on stage. The club is fun, non-threatening and really creative. Groupwork is a necessity as pieces are built but ultimately the aim of the JDC is to have a great time, work with a wider range of people and to unleash each student's inner Drama Queen.
Concert Band	1:20-2:00	C2	Open to players Grade 3 and above	AH	Concert Band gives students the opportunity to develop their instrumental and ensemble skills through performing a varied range of repertoire, while learning to respond to a conductor and work effectively as part of a larger group. Being part of a concert band develops **commitment, adaptability, focus and leadership**. Students learn to listen and respond to those around them, manage the demands of rehearsals and performances, and understand the importance of contributing reliably to a team. Working towards shared performance goals helps students develop confidence, independence and a positive attitude towards challenge.

Friday

What?	When?	Where?	For?	Staff/Sixth form?	Why? (character development)
Music Theory Club	1:25-2:00	C2	Open to all year groups	Music Captains	Music Theory Club gives students the opportunity to deepen their understanding of how music works, exploring areas such as notation, harmony, rhythm, melody and musical structure.

Clubs Autumn 2026

					The club develops **curiosity, precision, problem-solving and independent thinking**. Students will learn to recognise patterns, analyse musical ideas and apply their knowledge to both performing and composing. Developing a strong theoretical foundation also helps students become more confident and thoughtful musicians, with the ability to understand and communicate their musical ideas clearly. The ECA is suitable for students of all levels and is particularly valuable for those who want to strengthen their musicianship or prepare for future music examinations.
Dance Club	1:10 – 1:50	C9	Year 7	Year 8 students	Learn awesome choreography, create your own dances, build confidence and teamwork, dance to great music but most importantly make new friends having lots of fun!
