

Study Sessions Autumn 2026

Monday

What?	When?	Where?	For?	Who?	Why?
GCSE Computer Science – Programming	1:15- 1:45	CS	Year 11	Ms Powell	These study sessions are designed for you to come and do some more programming practice or ask for any help with a particular part of the programming covered so far.
Geography	1:15- 1:50	R21	Year 11	Mr Palfreyman	These study sessions will start with a consolidation of the Hazards unit taught at the start of the course. In addition to content we will also be looking at past questions, allowing you to apply your knowledge to the demands of the examination.
Combined Chemistry	1:20- 1:50	B2	Year 11	Miss Greenwood	These study sessions are designed for you to come and have a quiet place to complete homework, get support with any homework or ask any questions you have about the content.

Tuesday

What?	When?	Where?	For?	Who?	Why?
GCSE/A level Art support	1.15 - 1.45	A2	Year 10 - 13	Mrs Asquith	These sessions are designed to help you continue developing your Art coursework, with access to specialist materials and equipment, as well as support and guidance whenever you need it.

Study Sessions Autumn 2026

Foundation Maths	1.15-1.50	R2	Year 11	Mrs Dowdall	These sessions are designed to help you review and consolidate topics for your Maths GCSE. After half-term, we will start to look at exam practice and give you time and support to develop your skills answering exam style questions.
D&T NEA GCSE & A level	1:10-1:55	J1	Y11 &13	Mr Coxshall	This is a chance to catch up on any missing content in order to secure the highest grade prior to going to exam – it is worth 50% of the qualification for both GCSE and A-Level.
English Literature	1.10-1.45	C11	Y12 and 13	Miss Robinson	Starting after half term, these study sessions are designed as an opportunity to pop in if you feel you need some extra support and guidance.
AFTER SCHOOL					
Physics study session	3:30 – 4:30	B14	All years	Mr Aguiar	Starting after October half term. These study sessions are designed for you to come and have a quiet place to complete homework, get support with any homework or ask any questions you have about the content.

Wednesday

What?	When?	Where?	For?	Who?	Why?
