

Guidelines on how to use your Additional Financial Assistance (AFA)

These guidelines have been designed to provide transparency and clarity regarding how your allocated funds can be utilised. We believe that with this information, you will be better equipped to make informed decisions regarding how you wish to spend your Additional Financial Assistance in relation to the needs and requirements of the child in your care.

The purpose of these allocated funds is to support individual needs, use towards educational trips, IT equipment and co-curricular activities within the College and also outside of College. We may not have listed all opportunities that are applicable to your family, and therefore this list is not exhaustive but serves as a dynamic guide.

Making a request to access your Additional Financial Assistance

- There may be times when we can make the purchases through our Financial Assistance Co-ordinator in College. Please always make your requests before making any purchases to ensure your expectations are met within our guidelines.
- There may be times when you need to purchase items yourself. Once agreed, we will ask for receipts or invoices to enable us to reimburse you. We will ask for an allocated bank account to reimburse you in line with our guidelines. We will require the full account name, sort code and bank account number. Please discuss the proposed purchase with us before spending any money, as all purchases will need prior authorisation and may not be re-imbursed.
- Please email your request to our Financial Assistance Co-ordinator, a.worthington@jcg.sch.je
- Add a description of your request, e.g. iPad, calculator, uniform, trip, co-curricular activity etc
- Add the amount requested, e.g. £50 – please advise if you are unsure of cost.
- Add any additional information to support your request.

New Starter Funding

- Alongside the Additional Financial Assistance allocation, new students to the college receive a New Starter Package, the value of which corresponds to your Financial Assistance package.
- This is a one-time allowance aimed at easing the initial expenses of IT and uniform purchases.
- The amounts are split between an IT Allowance and Uniform Allowance.

Principal: Mr Carl Howarth B.Ed (Cantab), M.A, NPQH | **Vice Principal:** Miss Toni Rollo B.Sc, NPQH

- The allocation for IT equipment, can cover the cost of an iPad, Apple Pencil, keyboard, and iCare warranty for the device.
- Below are examples demonstrating how the proportional amounts align with your allocation. In Sixth Form the maximum allocation for the New Starter Pack is £1100.

New Starter Funding	100% FA Allocation £1100	90% FA Allocation £990	50% FA Allocation £550
IT Allowance	£800	£720	£400
Uniform Allowance	£300	£270	£150

Uniform Allowance

- Please review our uniform guidelines for Sixth Form, please see link.
- Please use your allocated allowance as advised.
- All purchases must have itemised receipts or invoices provided to the Financial Assistance Co-ordinator as supporting evidence.

Technology for Learning

- At JCG we believe Technology has an important role in student learning. Therefore, all students are expected to bring a digital device to their daily lessons. The device we recommend is an iPad (minimum 128GB) with a keyboard and apple pencil or similar stylus.
- The iPad Bundle (iPad, Keyboard, and pencil) can be purchased through our JCG shop, please see the link below where orders will benefit from an educational discount with a payment plan option if applicable.
- Apple iPad orders can be placed from the beginning of May, with all orders complete by the end of May to ensure all devices are set up and ready for collection for the start of term in September.
- To access the IT allowance parents must complete the online form that can be seen at the foot of the page in order to receive their voucher which is redeemable through JCG's online shop. Parents can combine both their New Starter pack funding with the Additional Financial Assistance allocation to purchase the suitable iPad bundle.

Other important information

- **Inter-Year Payments** - Additional Financial Assistance is to be used within the academic year it is allocated.
- **Parent Contribution Priority** - If a cost exceeds the allocated funds, the parent contribution must be paid first before utilising the funds and making any purchases.
- **End of Term Deadlines** – Requests should be made before the last two weeks of the term whenever possible to enable re-imburement within our guidelines.
- **Approval requests:** If a purchase is made before approval is granted, there may be a delay in re-imburement and there may be a chance your request is not granted if the purchase is not in line with our guidelines.

- **Reimbursement** – Once the request for Additional Financial Assistance has been made, and you have the confirmation to go ahead with the purchases, you will be asked to send in relevant invoices or itemised receipts to support the request of funds. Reimbursement of funds will be within 10 working days.
- **Leaving the school** – If the family have put in a request for the pupil to leave the school in line with our terms and conditions, then the Additional Financial Assistance allocation will be reviewed.
