HEADTEACHER'S MESSAGE

It hardly seems possible that this is my final newsletter as Headteacher of JCP.

As I sit down to write these last few words, I find myself reflecting on what an enormous privilege it has been to lead this wonderful school over the past four years. From my very first day, I was welcomed into a community that cares deeply about its children, supports one another wholeheartedly and never stops striving to be better.

People often ask me what I will miss most. It will not be the meetings, the emails or even the big events. It will be the children greeting me with a smile each morning, the conversations in the corridors, the excitement of proudly sharing a piece of work and hearing the school come alive with laughter every single day. Those are the moments that stay with you.

Together, we have shared so many special moments. We have celebrated successes, embraced challenges, welcomed new families, watched children grow in confidence and created memories that I know will stay with us all.

Throughout it all, we have remained true to what makes JCP so special: a school where every child is known, valued and encouraged to be the very best version of themselves. None of this has been the work of one person. It has only been possible because of wonderful children, exceptional staff, supportive governors and parents who have worked alongside us every step of the way.

I leave knowing that JCP has a bright future ahead. Ms Guglieri and Ms Byrne are outstanding leaders who know this school, its children and its values exceptionally well. I wish them every happiness and success in their new roles, and I know they will continue to build on everything that makes this such a special place.

Finally, thank you. Thank you for your support, your kindness and, above all, for allowing me to play a small part in your children's journey. It has been the greatest privilege of my career, and I will always look back on my time at JCP with enormous pride and affection.

Mrs Precious

GOOD BYE MRS PRECIOUS

What an assembly it was – not only celebrating the wonderful achievements of our children, but also saying a huge goodbye and good luck to Mrs Precious.

Every class created a beautiful card for her, filled with thoughtful messages and well wishes as she begins her exciting new role in Scotland. We thank her for everything she has done and wish her every success and happiness in this next chapter.

RUN CLUB

Today was 4J's final '1km Wednesday'! They have made super progress since the start of the year - improving on attitude, stamina and fitness.

Well done to everyone especially those who have had to really push themselves to keep running! I look forward to a new class to run with as well as the new Fun Run Club starting in September. 🏃‍♀️ 🏃‍♀️

HOUSE REWARD AFTERNOON

Congratulations to Grandin for winning this half term's House Reward Afternoon!

They have all been working hard to earn House points for showing our four school values, Aspire, Inquire, Excel and Belong.

To reward their efforts, they spent the afternoon together, enjoying biscuits, games, puzzles, lego and colouring.

Well done, Grandin!

Well done

YEAR 6 CRICKET

On Monday, a team of Year 6 cricketers played a kiwi cricket match against a visiting school from the UK, Fairfield Prep.

The children were really looking forward to this match, and it provided a fantastic opportunity to test their skills against a well-drilled team. Every player had the chance to bowl, field and bat, making it a valuable learning experience for everyone.

YEAR 6 CRICKET

JCP batted first, scoring steadily throughout the afternoon. As some of the children had limited cricket experience and were playing on a different surface, the team initially found it challenging to judge when to run between the wickets, resulting in a few run outs. Despite this, they showed determination and finished with a respectable score of 209 runs.

Fairfield batted second, knowing the target they needed to chase. They batted confidently and ran positively between the wickets, finishing on 252 runs to secure the win.

Although the result didn't go our way, the match was an excellent experience for the team.

The children showed great enthusiasm, teamwork and resilience throughout, and they will take plenty of positives and valuable lessons into future matches.

DANCE WORLD CUP

Milleigh proudly represented Jersey at the Dance World Cup Finals in Dublin last week, competing in 11 dances.

Some of her personal highlights came in her solo performances, where she competed against up to 45 of the world's top young dancers in each category:

Song & Dance – 6th place, earning a prestigious Golden Ticket to an exclusive weekend of masterclasses in Spain. Only a handful of Golden Tickets were awarded throughout the entire competition.

Showstopper – 7th place (3 marks off the gold medal)

Ballet Repertoire – 12th place

Jazz Solo – 13th place

DANCE WORLD CUP

Matilda attended the Dance World Cup finals. After becoming Channel Islands champion in the qualifier, her solo theatrical song and dance scored very highly and she placed 6th in the world rankings against a very tough competition.

There were 60 other countries in the competition this year. It was very hard, but our Team Jersey did amazingly well and represented our Island beautifully.

Her other group dances also placed very highly, including 8th best in the world for their mini group song and dance to Annie.

Congratulations!

SEESAW

Please download journals by 31st July as they will then be archived to create new classes for September 2026.

You will still be able to see previous year's journals when you receive the code for the new class in September.

If you have any questions, please email l.gardener@jcp.sch.je or c.liron@jcp.sch.je

How to download a copy of your Seesaw journals.

- Parents will need to login to their Seesaw account to view and download their child's journal.
- In the top left corner, you will see your name and user icon. Click on this.
- Click on the cog and select account settings.
- Scroll down to download journal archives - select this then download the journals that you wish to keep.

This will download a zip file of everything from that year in your Seesaw journal, including images, video, audio recordings and text captions.
