# HEADTEACHER'S MESSAGE

Welcome back to a new term!

It has been a real pleasure welcoming the children back this week, all arriving full of energy and eager to share tales of their Christmas adventures. Classrooms quickly returned to their familiar buzz, and it has been lovely to see routines re-established so smoothly.

This week, our Year 5 and 6 choir have begun their focused rehearsals ahead of their exciting performance at the O2 in London later this month. Singing, dancing and plenty of concentration have been on display, supported by some very brave (and good-humoured!) staff who will be accompanying them on this memorable experience. We are immensely proud of the commitment the children are already showing.

The school weathered the recent storm well, with very little damage sustained. A small amount of clearing up was required, but all was quickly made safe. We do hope that all families are safe and well, and that any disruption or damage at home has been minimal and easily resolved.

As the first week of term draws to a close, we wish you all a restful and peaceful weekend and look forward to another busy week ahead.

# YEAR 1

This week Year 1 have been learning about Traditional Tales in English. We made our own gingerbread men which were crunchy and delicious!

# MUSIC NEWS

Mrs Tieppo, our Music Teacher, is currently unwell and will not be returning to school until after the Easter break. We wish her a full and restful recovery.

Due to Mrs Tieppo's specialist musical expertise, there will need to be some adaptations to our usual music provision during this period. We will keep parents informed as soon as possible about any changes to music lessons, ensembles and clubs.

There will also need to be some adjustments to House Music, and for the time being the Spring Music Concert is on hold. However, we will do our very best to continue to offer as much musical opportunity as we can for the children.

Thank you for your understanding and support. Further updates will be shared as plans are confirmed.
